

Technical features

Engine	T 4000H Honda GX270
Rotation speed	3000 rpm
Max. power output	3.5 kVa / 10a 12 Vdc
Frequency	50 Hz
Starting	Electric
Noise level	62 dBa @ 7m
Max fuel consumption	2.3 Lt/h
Dimensions	45.5x66x33.5 cm
Weight	102 kg.

Dometic T 2400H Petrol

This petrol generator delivers 3500 W of power on a continuous basis. This is enough for two air conditioners, or other power-intensive devices that need to be supplied with 230 V AC on-site.

Dometic T-series generators give you a high continuous output rating, which makes them suitable as a power source for Dometic air conditioners. Their robust stainless steel housing is sound dampened for quiet operation. The reliable power packs are supplied complete with remote control and fixing materials for hassle-free installation. Dometic T-series generators give you a high continuous output rating, which makes them suitable as a power source for Dometic air conditioners.
